Hospital

Please circulate this flyer around your clinical team. Thank you.

INTRODUCING HOMEOPATHY AN INTEGRATIVE APPROACH

**Penny Brohn Cancer Care Centre
Friday, 28th September 2012
1.30pm- 4.30pm**

If you are a **healthcare professional** who is curious about homeopathy but not ready to plunge into homeopathic training, this could be a stimulating and enlightening session where you can meet like minded colleagues and get a feel for some of the key principles that underpin homeopathic thinking. The teaching team at Bristol Homeopathic Hospital will introduce you to holistic concepts, a vision of integrative medicine in the future and clinical experience from medical, dental and veterinary homeopathic settings.

We look forward to seeing you at the beautiful Penny Brohn Cancer Centre (Bristol, Pill BS20 0HH). Don't miss what should be an exciting afternoon and book your place now.

This taster is free. Light refreshments will be provided.

For more information and to book a place, please contact Renata, Academic Administrator on 0117 946 6087 or renata.sopiarz@uhbristol.nhs.uk
